

NV Muret-Gaston Red Blend

Dark black cherries, cassis and blackberries carry through the long finish. Followed up by moderate acid structure and fine grained tannins, this wine will age well but is very approachable now.

Present Reviews

91 Points Wine Enthusiast

"This wine is a blend of 38% Cabernet Sauvignon, 31% Petit Verdot and 31% Syrah. They lead to concentrated, textured fruit flavors with enough tannin to go the distance. It has a high yum factor"
